## Location: TALKING ROCK, GEORGIA

The action is all here at Talking Rock Arena!

When Rocking W Rodeo Company of Blue Ridge, GA (706-374-3113) comes to town, Jason White brings the best of the best and this brings the best cowboys from across the country. Guaranteed to Rock The House! It's like Roy Rogers meets the WWF. You will see the heart stopping action of cowboys and cowgirls competing to win money that will count towards the IFR!

Top I.P.R.A. cowgirls and cowboys, like Raymond Cooper who won the Bareback Riding here last year, went on to win the IFR 32 World Title at Oklahoma City OK in 2001. Josh Shackelford, who is currently in 1st place for the Southeastern Region, tied along with Raymond Cooper last year. Josh finished in 3rd place at the IFR 32 World Finals.

*Come see great rodeo action!*
